How to find us

- One World Action's offices is situated in Islington in North London
- We are a 15 minutes walk from Kings Cross and St. Pancras Station
- The accessible "bendy" Bus 73 from Victoria Station towards Newington Common or Tottenham/Seven Sisters stops on White Lion Street, 100m beyond the entrance to Bradley's Close and just before a branch of Pret A Manger. These buses run every 5 minutes.
- The Bus journey from Victoria station takes a maximum of 55 minutes.
- If you come by tube train, take the Bank Branch of the Northern Line – we are only 2 minutes walk from Angel Tube station
- For better accessibility, take the tube to Kings Cross station, which has a platform height of 4-8 inches and has step free access to the street, then take Bus 73 Tottenham/Seven Sisters.
- Note that parking is very difficult.... We are outside the Congestion Charging Zone (just). However, White Lion Street and nearby Penton Street and Liverpool Road have pay and display parking which is free to use for valid blue badge holders. There is also an LCP car park on White Lion Street and a Sainsbury's car park on Tolpuddle Road.
- Bradley's Close is a small courtyard off White Lion Street, entered through a large iron gate that is usually open between 8.30am and 6.30pm
- One World Action office entrance is located towards the back and on the left of Bradley's Close.
- To access the building, the intercom must be used; a quiet buzzer will sound when the door is released. We are trying to make the buzzer louder
- When the buzzer sounds, push the door inwards
- There are two steps to enter the building
- One World Action office's is located on the First Floor
- There are a further 13 steps to the interim landing and seven more steps to the First Floor
- There is also a small goods lift, which is accessible from a separate entrance, and can accommodate some wheelchairs; there are two steps at this alternative entrance, and a further four steps to access the lift. If you would like to use this alternative entrance, please let us know in advance

Please contact us if there are any adjustments we can make prior to your arrival to ensure you are able fully to participate while at OWA
